Important notice

The authorisation may be withdrawn when the young “au pair” has engaged in deceptive practices or has made inaccurate statements to obtain it. It may also be withdrawn when the young “au pair” does not comply with the conditions or the made commitments on the basis of which the granting of the authorisation has been submitted.

Documents to be handed in with the application for authorisation

- ☒ A certificate proving that he/she has access, in the home country, to higher education or proof that he/she attended classes up to the age of 17,
- ☒ A medical certificate issued at least 3 months before his/her placement, certifying the « au pair » young person's ability to perform light day to day family duties, including child care;
- ☒ A copy of the valid identity card or passport
- ☒ The placement agreement signed by the approved host family
